

**Friends of Seva Mandir** is deeply grateful to our generous sponsors and to all of you who joined us this evening. The funds raised will go directly to support **Seva Mandir's** programs in India. For over fifty years, **Seva Mandir** has been devoted to a simple idea that democracy, economic well-being and human dignity are all part of a single braid that loses strength when its various strands are kept apart. Thank you for being a part of and furthering this vision.

Special thanks to Karen Sander and Wendy Demarco Fuentes of The Graduate Center CUNY who partnered with us in making this evening possible. We also express profound appreciation for the leadership and kindness of our Board President, Professor Uday Mehta, also of CUNY.
